

**Paradise Town Council**  
**August 15, 2018**  
**8:00 p.m.**

**Council Members Present-** Mayor Atwood, Vic Little, Shannon Rasmussen

**Community Members Present-** Samuel and Dorothy Peel, Fire Chief Troy Fredrickson, Eileen Snider, Larry Johnson

**Minutes-** The Minutes of August 1, 2018 were emailed to the Council Members previous to the meeting. Shannon made a motion to approve the minutes of August 1, 2018; Vic seconded that motion, all in favor.

**Bills-** Vic read the bills. Vic made a motion to approve the bills as read. Martell seconded that motion, all in favor.

**Public Comment-** Samuel Peel attended the meeting and discussed with the Council the buyers he had interested in the old swing set that is for sale on KSL Classifieds. He also wanted to find out if Alyssa received another quote for a new set, she hadn't yet. He wondered what he could do until he received a quote and the Council decided who to purchase a new swing set through. The Council told him he could work on the demo of the old set and getting all the cement out and the set sold. There was discussion on if any other scouts had come forward and wanted to replace the sand with Fibar as their Eagle Scout Project yet. Dorothy said she asked around and no one had come forward.

**Department Expenditures-** Mayor Atwood reported that he had asked Beazer Lock and Key to finish up some work on the bathrooms at the new park. They were the ones that had done the original doors and he felt it was best to have them finish up the handles and locks on the doors.

Mayor Atwood talked with John Plumbing about finishing the bathrooms at the new park. The project was originally bid by a different plumbing contractor, but that contractor isn't able to come back and finish the project. John Plumbing can get the job finished quicker and are reasonable on their pricing.

**Interview Potential Council Candidates-** Larry Johnson and Eileen Snider attended the meeting, and each Candidate answered 4 questions that the Council had prepared. They will appoint a new Council member at the September 5, 2018 meeting.

**Council Reports**

- **Roads- Martell Lowe-** Martell reported that the Morgan Pavement bill is on its way. There was a discussion on when to slurry or chip seal which roads and when. Martell would like to mow a few more easements, but with the dry weather the Council discussed waiting and seeing if it rained before mowing.
- **Water- Vic Little-** Nothing at this time.

- **Community-Shannon Rasmussen-** The Youth Council will meet on the 23<sup>rd</sup> and plan out their Trout and Berry Days responsibilities. There was a discussion on what the Council would do during the parade and what everyone would be helping with for Trout and Berry days.
- **Fire/Grants/Budget-** Fire Chief Fredrickson reported that they have sent the brush truck out on two fires this year: the Hansel Valley Fire, and the Grouse Creek Fire. He also asked for a current accounting so the Fire Department could see where they were financially.

**Unfinished Business-**

The Council discussed using “square” at Trout and Berry days. There is a 2.75% transaction fee on each transaction, but other than that there aren’t any fees associated with it. The Council also discussed opening/using a separate account for the Trout and Berry Days transactions.

Mayor Atwood reported that a Notice to clear the town easement had been sent to property owners who needed to remove items from the town easement.

There was a discussion on a home outside the town limits that has a water hookup. It recently was brought to the Towns attention that this home is actually two homes. The one water hookup is servicing both residences. The Council discussed what options they had with this situation. We only allow one culinary water hookup per residence. Mayor Atwood will talk with the State Ombudsman and discuss options with him.

**New Business-** No new business at this time.

**Adjourn-** Shannon made a motion to adjourn, Martell seconded that motion, all in favor. Meeting adjourns at 9:47 p.m.
